ATTN: FBI Special Agent In Charge Robert Bohls, Deputy Director Dan Bongino, President Donald Trump, other nations, all media and members of the public.

Greetings,

There is proof that for the past 40 years, selectively-altruistic, self-anointing, killer cults based in Utah, U.S.A. have been hiding behind deceptive layers of trillion dollar "Mormonism." They do this to secretly control thousands of local "courthouses," "police departments," "jails" and "state sponsored offices" within the state of Utah and across the U.S.A. at all levels to fabricate, launder and steal billions of U.S. Dollars from scapegoated parts of the U.S. Government. They do this as part of secretly controlling the U.S.A. and attempting to control the world. As part of this, they continue to target, exploit and eliminate millions of American children and parents with different stages of "Suicide Baiting," "Rage Baiting" and "Swatting." Other countries have also been targeted in these ways and in other ways.

It seems that some of the reasons for these counterintuitive atrocities is that for many decades the most sinister cults have been at war with each other and are

also at war within. This is part of why reports of these atrocities to local “state” and local “federal” offices are always secretly buried and used between the cults as “leverage” rather than public action being taken.

These different cults will stop at nothing to keep it all hidden and this includes indications of involvement in attempting to assassinate President Trump in Butler, Pennsylvania on July 13, 2024, assassinating Charlie Kirk on September 10, 2025 as well as scapegoating other layers of the U.S. Government to instigate other national and global mass atrocities going back 125 years while blaming and scapegoating others and other countries as needed.

Within the “Mormon” controlled “State of Utah” previously hidden, but now indisputable facts exposing these atrocities include:

1) About 12-years-ago “state government” officials including current Governor Spencer Cox as then “Lieutenant Governor,” the late Orrin Hatch and Mike Lee as “U.S. Congressmen,” “Federal Judge” Ted Stewart, “Utah Chief Justice” Matthew Durrant, “Utah Director of the Administrative Office of the Courts” Ron Gordon, “Utah State Senator” Todd Weiler and others secretly created 10 new “state offices” to pose as “judges” to target, exploit and eliminate more than 2.5 million people living within the most populated areas of Utah while deceptively and superficially naming the roles as “commissioners” and staffing the roles with members of a deceptive,

superficial, colluding, global private association known as “The Association of Family and Conciliation Courts (AFCC).”

The association has more than 6,000 members across the U.S.A. and beyond posing as “judges,” “commissioners,” “magistrates,” different types of “attorneys” (including counterintuitive titles such as “guardian ad litem” and “private guardian ad litem”) and “psychologists” who collude stage-by-stage in one deceptively instigated case after another. Over the past 40 years they have fatally targeted millions of American children and parents in unthinkable ways including forgeries resulting in fatal child trafficking for children as well as human trafficking, unlawful imprisonment and murders disguised as “police encounters” (known as as “swatting”) for parents.

2) As part of scapegoating parts of the U.S. Government, the “AFCC” maintains hidden lists in every state with the names of thousands of targeted children on them. As part of stealing the most and keeping it hidden, many of the names are of children who have been made “unlawfully absentee” from one or both parents or who are “unaccounted for,” “missing,” “dead” or entirely “fake.” For children who are still alive but are “unlawfully absentee” from one or both parents, the children are in different stages of being targeted, exploited and eliminated or are already eliminated but their names are still being used on the lists as a way to keep more fake names hidden among them.

Since the creation of these 10 deceptive offices within “The State of Utah” about 12 years ago as well as deceptive, superficial colluding “supporting offices” since then, the hidden list within “The State of Utah” has skyrocketed to between 12,000 - 14,000 names on it.

As part of this deceptive weaponization of local “courthouses,” “police departments,” “jails” and other “state sponsored offices” against American citizens of all ages, other nation-destroying atrocities that can be expected also skyrocket. Suicide, violent crime, murder by cop, good cops being killed, child-on-child violence at schools, bankruptcy, homelessness. Etc…

This is why I have named the imposters schemes “Death Baiting” and that includes “Suicide Baiting,” “Rage Baiting” and “Swatting.”

Because the “imposters” use the American Flag to commit these atrocities and because all reports of these atrocities have gone ignored and have only brought more swatting, 2 unlawful arrests, 2 months and 8 days of unlawful imprisonment and other ongoing other retaliation against me as a targeted parent over the past 7 years, in 2024 and also concurrent with the events that happened in Butler, PA and other fatal events that happened within Utah, I also attempted to inform the “Utah National Guard” about these atrocities so they could review the list and begin implementing solutions to end these nation-destroying, globe-controlling imposters but for

reasons of his own, Governor Spencer Cox deceptively prevented that from happening and silenced me in more ways. This seems to include me being deceptively banned from “social media” where throughout 2024 I previously had an account with posts that were “going viral” but the account was somehow “shadow banned;”

3) Secretly using Todd Weiler to force deceptive “legislative bills” every year to enable AFCC members as well as colluding parts of “police departments,” “jails” and local officers of “federal agencies” including “The FBI,” “U.S. Marshals,” “Homeland Security” and the “U.S. Attorney” to fatally target American children and parents as part of scapegoating other layers of the U.S. Government;
4) Since at least 2018, proliferating another scheme through thousands of local courthouses across the U.S.A. as well as across Canada, Australia and the U.K. to steal billions of U.S. Dollars from the U.S. Stock Market through a deceptive “IPO” on “Wall Street” for a deceptive “app” known as “Our Family Wizard” that the AFCC has secretly controlled for more than 20 years.

Since 2020 the AFCC has involved “Spectrum Equity,” a billion dollar Wall Street firm as part of this and “Spectrum Equity” did not hesitate to get involved rather than reporting these nation-destroying, globe-controlling atrocities to the SEC. “Spectrum Equity” has offices in the

cities of San Francisco and Boston as well as in the U.K. After I discovered this in December of 2024, I reported it to the SEC and then I reported it two more times after the Presidential Inauguration of January 2025 but all reports have gone ignored.

5) Deceptively controlling 2 of the 5 rotating "Chair" positions of the "U.S. Senate Finance Committee" over the past 25 years with the late Orrin Hatch and now Mike Crapo (R-Idaho) as well as, over the past 100 years, deceptively controlling innocuous but critical positions related to the fabricating and laundering of trillions of U.S. Dollars.

    This includes the role of "Secretary of the Treasury" and the two most critical financial times in the history of the U.S.A. involving the revaluation of "gold" and now with Mike Crapo as the "revaluation of gold" secretly looms.

This is happening because "Mormonism" is not just a 195 year old "fraud," it is far worse than that.

I have exposed in no uncertain way how "Mormonism's" roots come from an unpublished book that was stolen in the early 1800's, that the thief was well financed and that the source of his finances came from producing "linen" that over the past 208 years has led to the creation of the trillion-dollar-New York based-global-financial-firm-and-market-maker known as "Brown Brothers

Harriman." The "book thief's" name was not "Joseph Smith," as many may have been tricked into believing, it was Martin Harris.

Joseph Smith, his many brothers, his sisters and his parents were targeted, exploited, controlled and most were eliminated under the orders of Martin Harris. There are many selectively-altruistic, self-anointing reasons why Martin Harris did this.

Because of this and worse, an ever-worsening death-spiral has gripped the U.S.A. for decades and continues to proliferate mass-atrocities around the globe.

This includes other "imposters" beyond the borders of the U.S.A. have been able to proliferate their own nation-destroying, globe-controlling schemes to control the U.S.A. as well as other iterations of fringe cults within the U.S.A. proliferating their own atrocities while scapegoating others as we continue to see with counterintuitive events being revealed from the assassinations of President Kennedy, Martin Luther King, 9/11, the Iraq War, the attempted assassination of Donald Trump, the assassination of Charlie Kirk and more. Some of those previously mentioned named having counterintuitive connections to some of these events, especially since 9/11.

Because of the most sinister layers of "imposters," over the past 40 years the U.S.A. has been hollowed out and turned it into nothing more than a death-spiraling echo-chamber that have forced other countries including China, Russia, Iran and Iraq to navigate the imposter's selectively-altruistic, self-anointing instigations

resulting in mass-crisis for decades. However, over the past 30 years, China has also engineered a nation that has become unprecedented in every way.

As these countries now continue to become aware of the "imposters" before the U.S.A. does and as the U.S.A. continues to fade into the imposter's short-sighted, baited oblivion in every way as part of the imposter's deceptive "war-from-within," it is also China, not the U.S.A. that has become "the underdog," "the shoulder to cry on" and "the steady hand" for the entire globe and we continue to see that as BRICS continues to bring stability to the globe in every way while the U.S. Dollar collapses.

This is most critical for the entire globe as we continue to see that it is not just "Imposter Mormons" scapegoating parts of the U.S. Government to control the U.S.A. and to attempt to control the world and keep their trillion dollar, nation-destroying, globe-controlling atrocities hidden forever, but rather than just "True Jews" there are also "Imposter Jews" scapegoating "Israel" to scapegoat parts of the U.S. Government to proliferate their own nation-destroying, globe-controlling atrocities as part of attempting to control the U.S.A. and controlling world and like the warring "Imposter Mormons" who have unknowingly enabled them, they too do it all without any regard for life.

This is most critical for those nations nearest "Israel" due to "Israel" having more than 60 nuclear weapons and "Imposter Jew Netanyahu" not understanding that the reason the billions of U.S. Dollars of fabricated, laundered and stolen

“funny money” has dried up for him too is because it was a result of the “Imposter Mormons” schemes over the past 40 years and DOGE put an end to a lot of that without DOGE knowing that it is “Imposter Mormons” behind it all. Because of all this DOGE also doesn’t know that if allowed to, “Imposter Mormons” will continue it all in ever-worsening ways.

This includes the U.S.A. continuing to see “Imposter Mormons” including “U.S. Senator” Mike Lee attempting to end the “Washington D.C. Home Rule Act of 1973” which would ultimately eliminate the “Federal District Court District of Columbia” and in so doing would deceptively cut the last lawful thread that is in the way of the most sinister layers of imposters.

Mike Lee unthinkably initiated this on July 11, 2024, two days before the July 13, 2024 assassination attempt of Donald Trump. On that same day as Lee, “Republican” Governor from Utah Spencer Cox also counterintuitively appeared on “Democrat” leaning “CNN” appearing as giddy as a school girl while publicly announcing that he is an enemy to “MAGA” and would not be supporting Donald Trump as the “Republican” nominee for president. There are many reasons for this and that includes that after the assassination attempt failed, Cox then went on TV during the Republican National Convention two days later and deceptively claimed he would support Trump. However this was just an attempt to get close to Trump so that Cox could attempt another “political assassination” of Trump which Cox, all the way from Utah, then did 6 weeks later in Arlington at the grave of a Mormon

soldier. Cox made sure photos were taken, Cox leaked the photos, the paid parts of the media then blamed Trump without any mention of Cox and then would not stop blaming Trump for weeks after.

With that “political assassination” attempt failed twice, once on July 13, 2024 in Butler then on August 27, 2024 in Arlington, Cox, for reasons of his own, was clear to publicly use the term “this was a political assassination” when describing the assassination of political pundit but non-politician Charlie Kirk.

Because of this and more not revealed within this document, intelligent people are not being conspiratorial to suggest that in July of 2024, with the Republican National Convention just days away, the most sinister layers of imposters hiding behind “Mormonism” expected to install Cox as the replacement for Trump and as president of the United States of America instead of Trump if Trump had been assassinated as a way to keep the “Imposter Mormons” secrets hidden. After being installed to replace Trump, Cox would have then picked Mike Lee or another colluding imposter as “Vice President” and this would have ensured that the imposters secret’s stayed hidden for at least 16 more years while billions of dollars more were stolen every year, while untold numbers of American children and parents continued to be fatally targeted, exploited and eliminated and while other mass-atrocities continued to be instigated to keep it all hidden and for the “Imposter Mormons” other nation-destroying, globe-controlling purposes.

As these truths continue to surface and more whistleblowers continue to feel safe coming forward, 340 million Americans still need to be rescued from this common enemy that is the nation-destroying, globe-controlling, selectively-altruistic, self-anointing deception that “Mormonism” is and all nations, including China, Russia, Iran and Iraq want to see Americans be saved from that too. There are many reasons for this.

Solutions from within the U.S.A. include President Trump temporarily suspending the “statehood” for “The State of Utah” under the presence and security of the U.S. Military while a temporary “state government” is implemented and models of solutions are created for other states who the imposters have fatally targeted through the “AFCC.” This includes declaring the AFCC as a “terrorist organization” and inviting it’s 6,000 members to turn themselves in to their nearest National Guard depot to demonstrate their willingness to cooperate as well as for their own protection while those who don’t are chased to the ends of the earth. This will also likely result in the elimination of the “American Bar Association” for its own commissive and omissive role in these atrocities and a restructuring of how constructive solutions are implemented for Americans of all ages facing these life challenges rather than imposters being enabled to instigating these Death Baiting challenges, monetize them and fatally eliminate Americans to keep it all hidden.

What is shared within this report is just an introduction as there are more than 80 names across all levels to name who proliferate these atrocities in

indisputable ways within “The State of Utah” at all local “state” and local “federal” levels in fatal-stage-by-fatal-stage and in collective, individual, commissive and omissive ways.

Because of all this, this is really “Invisible Death Marches,” “Family Disassembly Lines” and “Fatal Human Trafficking On An Industrial Scale” proliferated by the warring imposters.

More proof of all this includes 2-minute videos of me being ignored by “The Utah State Legislature” earlier this year as well as other videos and hundreds of citations and references. That can be found at www.linktree.com/operationwalkout.

Another federal lawsuit attempting to reveal this was filed three weeks before the Charlie Kirk assassination and would have prevented that assassination from happening if action had been taken however the lawsuit was again, deceptively rejected for counterintuitive clerical reasons. As needed, it will also be posted at the previously referenced link by myself or others.

Remember it is not our “country” that is “corrupt” it is the imposters and with these better-than-bright truths the future is golden for all who have survived because the best way to honor the millions who have not survived is to fill the future with grins, giggles, ideas, learning, opportunity and laughter.
